

1 Write the co-ordinates of each Star Freighter shown on the computer screen.

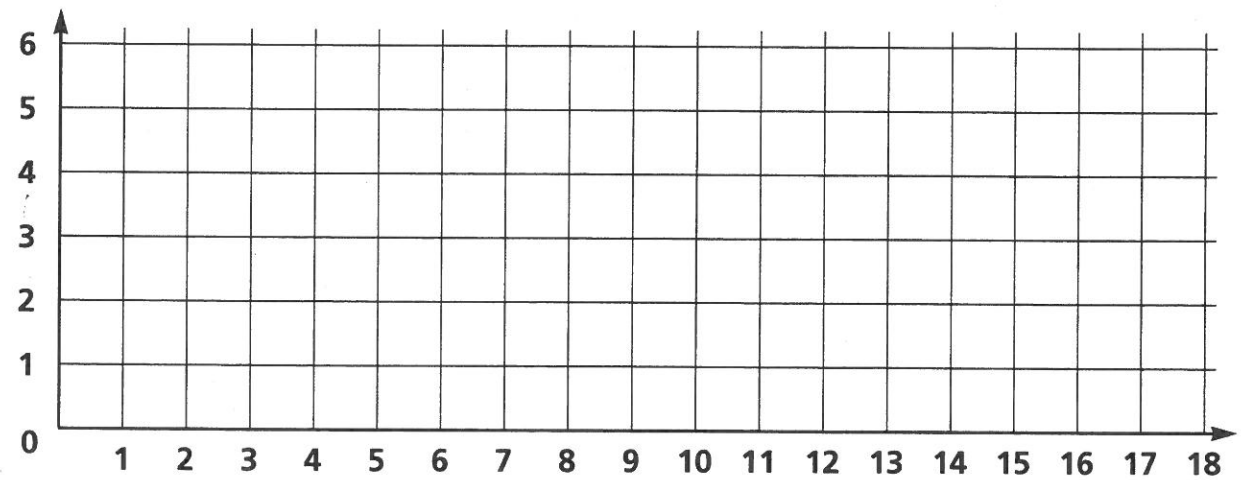

Star Freighters' Co-ordinates

A (__, __) B _____
 D _____ F _____
 R _____ T _____
 W _____ X _____
 Y _____ Z _____

2 Mark these points on the grid below. Join them, in order, with straight lines, to make a picture of a Star Freighter.

Star Freighter X: (5,4) (7,5) (9,5) (9,4) (13,4) (18,6) (17,3) (18,2)
 (15,1) (10,1) (5,0) (5,1) (0,3) (3,4) and back to (5,4)

3 (a) Mark these points. Join them, in order, to make half of a symmetrical picture.

(1,3) (1,4) (2,5) (4,3) (5,4)
 (6,3) (8,5) (9,4) (9,3)

(b) Draw the other half and list the co-ordinates in order.
